- 8. Document Metadata

1. Introduction

1.1. This Accessibility Statement applies to the website available at autodna.com (hereinafter referred to as “autoDNA” or the “Website”) and to the electronic services offered through it. This statement does not apply to other websites.

1.2. The following electronic services are available on the Website: blog, summary information, user account, reviews, comments, vehicle report – including a single report, a report package and a subscription – as well as the newsletter.

1.3. The main electronic service available through the Website is the vehicle history report – this is a digital service consisting in the provision

of information and records about a vehicle in the form of an electronic report based on data obtained from multiple external sources independent of the Website owner, as made available on the Website and as per the state of those sources at the time the report is generated. The scope of the information and records is specified on the Website after the user has obtained the summary information.

1.4. Detailed terms and conditions for the provision of electronic services are available in the autoDNA Terms of Service, published at: <https://www.autodna.com/terms-and-conditions>.

1.5. Information on how we process personal data can be found in the Website's Privacy Policy, available at: <https://www.autodna.com/privacy-policy>.

1.6. The Website is intended to be accessible to the widest possible range of users, including persons with disabilities. The owner of autoDNA is committed to ensuring the accessibility of the Website in compliance with applicable legal requirements.

1.7. The key legal provisions concerning the accessibility of the Website are set out in the Polish Act of 26 April 2024 on Ensuring Accessibility of Certain Products and Services by Business Entities (Journal of Laws 2024, item 731, as amended). This Act was adopted in implementation of Directive (EU) 2019/882 of the European Parliament and of the Council of 17 April 2019 on the accessibility requirements for products and services (Text with EEA relevance – known as the European Accessibility Act, EAA).

2. About Us

2.1. The owner of autoDNA is:

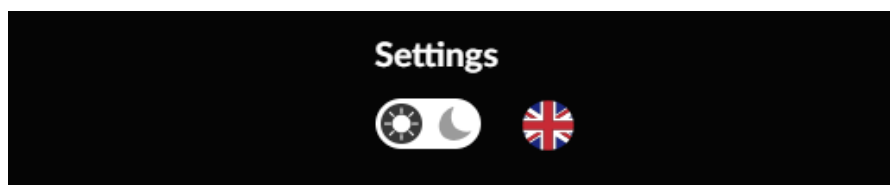

AUTODNA SPÓŁKA Z OGRANICZONĄ ODPOWIEDZIALNOŚCIĄ, a limited liability company with its registered office in Łódź (registered address: ul. Obywatelska 128/152, 94-104 Łódź, Poland), entered in the National Court Registry under number KRS 0000349742; the registry court maintaining the company's documentation is the District Court for Łódź-Śródmieście in Łódź, 20th Commercial Division of the National Court Register; share capital: PLN 50,000; Tax Identification Number

(NIP): 5492391545; National Business Registry Number (REGON): 121164104; E-mail address: contact@autodna.com; Contact telephone number: +48 22 350 01 28 (calls charged at standard operator rates as per your tariff plan). A chat function and contact form are also available on the Website.

3. Compliance Status

3.1. The owner of autoDNA is committed to ensuring the accessibility of the Website in compliance with applicable legal requirements.

3.2. The Website provides an option to change the contrast settings (light and dark color schemes) using a toggle switch available in the Website header and at the bottom of the page, under the "Settings" tab:

3.3. The owner continuously monitors and removes identified accessibility barriers as part of ongoing maintenance work.

3.4. If you identify any accessibility issues, please contact us using the contact details provided in the "Feedback and Contact Information" section below.

4. Minimum Technical Requirements for Using the Website

4.1. Below are the minimum technical requirements necessary for the proper use of the Website:

- a. A computer, tablet, phone, or other multimedia device with internet access;
- b. An up-to-date web browser installed on the device with internet access, such as Mozilla Firefox, Internet Explorer, Opera, Google Chrome, Microsoft Edge, or Safari;

- c. Cookies enabled in the web browser;
- d. JavaScript enabled in the web browser;
- e. Additionally, to create a user account and purchase a report, an email address and access to the email account are required;
- f. Additionally, to download a report in PDF format, a PDF reader is necessary (e.g., Adobe Acrobat Reader).

5. Feedback and Contact Information

5.1. If you encounter any accessibility barriers on our Website or simply wish to contact us, you can use the following communication channels:

- a. **E-mail:** contact@autodna.com
- b. **Telefon:** +48 22 350 01 28 (calls charged at standard rates as per your operator's tariff)
